Learn the Hollywood filmmaking secrets and create your own blockbuster movies during the three day winter break film camp -Movie Magic!

Designed as a hands on program for youth aged 8 - 13 participants will shoot & edit an animated claymation movie, music video & a short film with props, acting & special effects!

Movie Magic Film Camp program coordinator Chris Jaycox has an accomplished career in film and television as well as working with youth. Chris won the the Canadian International Film Festival by age 16, and then moved from film into television at 18, landing his first broadcast television series in 2002 - "Outlast".

When Chris is not running the Movie Magic Film Camps, he is working out of CHEK TV Victoria, traveling and producing two television programs: "Slopestyle" TV and "Aboriginal Adventures Canada".

New for the Movie Magic Film Camp this year, every group will be equipped with HD cameras and tons of new props to get the imagination going. The program will conclude with a special gala afternoon premiere screening for family and friends. Movie Magic Film Camp strives to provide a highly creative environment that is safe, fun and one that makes a BIG impact for youth!

All materials will be included for the Movie Magic camps: HD video cameras, still cameras, clay and clay working tools for claymation animations, set making equipment, props, costumes and board games for everyone to unwind before pick up at the end of the day.

Chris is a local producer and dad that is "spreading the word" on the fun and creative outlet movie making is for kids and teens. This camp allows them to express themselves in a collaborative safe environment while teaching new skills such as acting, producing and editing.

Movie Magic's goal is to help build a community of kids involved in fun activities that promote self esteem and social interaction.
